Election Day—**8th of November.**

The Presidential election will take place on Tuesday 8th of November, in all the States at the same time. We name the fact that there may be no mistake about the time. Let all true Unionists be at the polls. Let them see that the Union voters are all there, and that nothing is left unturned to advance the interests of our cause.

**Beware of Spurious Tickets.**

We have good reason to believe, that a desperate attempt will be made in East Tennessee, on the 8th of November, to impose an East and Western man spurious ticket, headed for the "Union and its Constitution," which will be a mistake about the time. Let all true Unionists be at the polls. Let them see that the Union voters are all there, and that nothing is left unturned to advance the interests of our cause.

**Speaking During the Fair.**

The Bell and Everett Club have arranged to have speaking in town the four first nights of our Fair, and will have speeches from Col. TENTER, Dr. A. R. NELSON, ROBERT MAY, JOHN BAXTER, THOMAS J. CAIRNS, and others.

**Fall and Winter Advertising.**

Advertising is always in place, but the Fall and Winter are the best seasons. The older the times the more important to advertise. Advertising is the very life of business, and those who neglect it, lose by that neglect more than they are aware of. Papers circulate more extensively now, than in former years, and more people read them than heretofore. We have long since discovered that a man can make any thing out of this world, unless he lets the people know that he is in it.

**That Political Discussion.**

We heard the discussion throughout Tuesday night, in front of the Court House, between Mr. EVERETT, on the part of the Douglass-Taylor, and Mr. BAXTER, on behalf of the Bell-Douglas ticket. Mr. EVERETT, in a speech of one hour, and was followed in a speech of similar length by Mr. BAXTER, each having half hour in their turn. They had quite a creditable audience, and were interested in what they said.

Mr. EVERETT is a man of ability, but did not meet our expectations, and we think he heard him improperly. He did not meet the questions at issue, and so directly propounded by his competitor, as to whether he deemed Lincoln's election a just cause for secession? He answered these questions by reading an extract from a letter written by Mr. FILMORE in 1850. He made our statement we were glad to hear him make, and we were the more pleased with it, than with *contemptible little papers*. J. H. CROWDER was present. It was that he regarded Mr. BELL as a pro-slavery man, and not as an Abolitionist, as some charged.

Mr. EVERETT made the best political speech we have ever heard him make, and we were the most pleased with it, than with *contemptible little papers*. J. H. CROWDER was present. It was that he regarded Mr. BELL as a pro-slavery man, and not as an Abolitionist, as some charged.
